

Certifications

SABS is a statutory body that was established in terms of the Standards Act, 1945 and continues to operate in terms of the latest edition of the Standards Act, 2008 as the national standardisation institution in South Africa, mandated to:

- Develop, promote and maintain South African National Standards (SANS).
- Promote quality in connection with commodities, products and services.
- Render conformity assessment services and assist in matters connected therewith.

Our products carry the SABS Mark of Approval. See our permits below.
