SAND & CEMENT

At MVA Bricks, we pride ourselves in delivery quality products to you, our valued consumers. "When implementing paving blocks, one also uses sand. We at MVA Bricks are equipped to supply our clients with the sand as well. When in the market for paving blocks, make MVA Bricks your one stop shopping destination for both paving blocks and sand." The sand is delivered in 1-m³ prepacked bags. Two types of sand:

WASHED PLASTER SAND

WASHED RIVER SAND
